## AN INTRODUCTION

Here at the Barn Steakhouse we not only pride ourselves on the quality of our steaks, but also take great care to offer you a thought provoking and diverse selection of wines from our cellar. My aim is to highlight both prestigious vineyards and interesting lesser known producers of outstanding quality.

I would encourage you to stretch your legs a little and to browse the cellar....take the time to touch and inspect. Check out the rarities resting in our new climate controlled room, which keeps the wines at a constant 15°C and 60% humidity. Once you have made your selection our waiting staff will be pleased to open the wine for you, and if necessary decant it.

We use only Riedel glassware to allow the wines to stretch their legs and perform at their best for you. These glasses feature large bowls, fine rims and ensure that wines show harmoniously, their superb aromas are magnified and each wines complexities come to the fore.

The natural bias in the cellar is for the wines of Coonawarra, where Cabernet Sauvignon and Shiraz excel. This narrow strip of red terra rossa soil is just 60 kms north of The Barn and has been producing some of Australia's greatest wines since the 1890s.

The vast majority of the wines in the cellar have been tasted by me and thus I can commend any of the wines to you as representing excellence at their price point.

Should you require some guidance or have specific queries, we will be delighted to assist you in selecting a bottle that will make your dinner at The Steakhouse a memorable one.

Cheers,

## cellar master selections

Here's a selection of wines that I wholeheartedly recommend. These are wines that have made me sit up and take notice. My personal bias is for wines of superior structure, finesse and nuance...wines that titillate and partner food well, instead of trying to dominate and overpower.

### **2010 John Duval Wines 'Plexus' Marsanne Roussanne Viognier** **\$49.00**

*The wine maker who was once the custodian (chief winemaker) for Australia's Icon Grange, shows a deft hand with this delicious white wine. A classic 'Rhone' blend, it shows restrained fruit, a savoury edge and some attractive hay notes. If you're looking for something a little off the beaten track, then this is tailor made for you.*

### **2008 Speri 'La Roverina' Valpolicella** **\$45.00**

*I had the good fortune to have dinner with Luca Speri in Adelaide recently to taste his superb wines. The Speri family are most famous for their Amarone style wines, which are very distinctive, long-lived styles made from dried grapes. Whilst I marveled at the Amarones, this wine was the wine that really struck a chord. Made from the same grape varieties as the Amarone, but with less oak influence, more dark, brooding fruits and freshness. It's structured and layered, yet retains a silky texture.*

### **2008 Malone Shiraz** **\$42.50**

*The Malone family from Wrattontully have been releasing wines under their own label for only a few years. Already they have met with considerable success, having won a trophy at the limestone Coast Wine Show and taking out a Gold medal at the prestigious International Wine Challenge in London with this wine. Made by Neil Paulet in the Clare Valley it shows distinctly Wrattontully traits, with dark plummy fruit and a powerful palate. Available by the glass.*

### **2002 Balnaves Of Coonawarra Shiraz** **\$66.00**

*Now at nine years of age this is really strutting its stuff. From a cooler vintage in Coonawarra which was typified by below average yields. It shows lifted blackcurrant fruit with hints of mint and liquorice. It shows great fresh fruits and surprising concentration.*

### **Springbank 10YO Single malt** **\$11.00**

### **Springbank 1998 Single Cask 53.3%** **\$17.50**

*This is one of my favourite malts, which until recently was nigh on impossible to find in Australia. These malts from the Campbelltown region always show great balance and eminent drinkability. The 1998 single cask is exceedingly rare and was specially selected by Australia's premium Scotch importers. It was matured in small (50 to 80l) port and sherry casks and shows amazing pungency, depth and flavour that belies its 13 years.*
